

## 01 OUTDOORS EVAPORATING UNIT

MUNDOCLIMA<sup>®</sup>

### MFS5-65 "WATER NEBULISER"

- Easy operation
- Heat pump included
- Adiabatic cooling system
- Adjustable nebuliser level (also suitable for indoor use)

This MUNDOCLIMA nebuliser provides the freshest comfort by humidifying the air, which creates a feeling of a decrease in temperature (2°C to 6°C depending on the environmental conditions).

Accurate water and air dispersion prevents people and objects from getting wet.
